Re: U.S. Application Serial No. 10/577,163 – “PROJECTION OBJECTIVE”

Attached is a clean copy of the Substitute Specification of which a marked copy was submitted with the Response to Office Action filed January 7, 2009.

Through inadvertence and without deceptive intent, this clean copy attached was not provided with the January 7, 2009 Response. The clean copy which accompanied the January 8, 2009 Response did not conform to the marked Substitute Specification filed on that date and should be disregarded.

Respectfully Submitted,

Donald S. Showalter, Reg. No. 33,033
